Sir,

I am sorry I have to trouble you with this personal letter in connection with my accompanying application. You may be aware that you had expressed to me in your last interview in Ooty last year at Poona that it was not possible for you to appoint me for more than a year. At this I had told

you Mark under the rules it was impossible to do so for two years. Whatever, I don't know what led you to pass me over. I attributed it to my ill-luck & remained quiet, as is my wont: so this year I am renewing my attempt as I have a desire to serve the National Govt in the full feeling that I am able to do the duties of the post and also fit for the same. I believe that this time there will not be the opposition of the sort of the last year. I request you to be good enough to observe the principle of seniority which ought not to be ignored last time through my misfortune.

Yours sincerely

Appointment of ---

Refererence-:Your No.242-Confl of 6-6-47.

I took over as Collector and District - Magistrate K anara on 26th May 1947 and as such I knew little of the work of Mr.M.G.Kasbekar,the present incumbent,and much less of the work of Mr.M.M.Shanbhag.

My predecessor's remarks about Mr.Kasbekar' work forwarded to Government under this office No.C.of 19-5-47. are as under.

" My predecessor Mr.Nanjappa was of opinion that he is working satisfactorily and takes great pains with- his cases and that his knowledge of law is good,manners - pleasant.I agree with him.He deserves to be continued as - Public Prosecuter.He observes rule 6 of Law Officer's rules."

While concurring with the remarks of my - predecessor I recommend that Mr.M .G.Kasbekar may be -- continued as Public Prosecuter and District Government -- pleader for another year in the first instance.

As Mr.M.M.Shanbhag has already completed 59th year of his age I do not recommend his appointment.His application is enclosed.

The present incumbent Mr Kasbekar works hard and takes pains, but all the same he has not yet reached the standard of a Public Prosecutor. I think he would reach the standard by and by. Before committing the Government I should be satisfied that he ia thoroughly fit to be straightaway appointed for three years. But I now hesitate so to recommend. I therefore agree with the District Magistrate that he may be appointed for one year more.

The application of Mr M. M. Shanbhag is sent herewith.

He says that he has already completed his 59th year . He has not conducted any case before me. He doesnot seem to have much pravtice.

I beg to apply as follows in connection with the appointment to the post of the Public Prosecutor of this District:—

Last year the appointment of this post was made for one year only. So, it is to be vacant in the month of August next. If so, I should like to offer myself as a candidate for the same. I was one of the candidates last year. So you know me & my

The Collector and District Magistrate,

Kanara, Karwar.

Application from Shantaram Shivram Nagarkatti, B.A(Hons);LL.B., Pleader, Karwar.

Karwar, 28th June 1947.

Sir,

I have been practising as a Pleader in this District since February 1921. Ever since the year of my commencing my practice, I have been Secre-tary of the Bar Association and as such a good deal of draftsmanship and correspondence, as well as legal opinion collected from the members of the Bar Association on matters referred to by the Government and the High Court through the District Magistrate as well as through the District Judge has been the share of my work throughout. In the year 1934, the then Col-lector and District Magistrate, C.H. Bristow, moved the District Judge, to have me appointed as an Assistant Government Pleader and Assistant Public Prosecuter for this District. This was without any application from me. I was appointed an Assistant Government Pleader and Assistant Public Prosecu-ter in October 1934 and was continued as such through all the triennium and two years further till October 1945. When the post of District Govern-ment Pleader and Public Prosecuter was about to be vacated by RaoBahadur M.G. Chandavarkar, I applied for the post, especially since the first appoint-ment as an Assistant was, to my mind, and its continuance for so long, most probably meant to appoint me as the District Government Pleader and Public Prosecuter. However, in August 1946, the post went to another but for one year only. I therefore pray that this application of mine praying that I be appointed as District Government Pleader and Public Prosecuter as soon as the period of the present incumbent expires, be kindly forwarded to the Remembrancer of Legal Affairs, Province of Bombay, through the District and Sessions Judge, Kanara, for favourable consideration. In the eleven years of my service as an Assistant, I have discharged my duties to the best of my abilities and properly.

I have the honour to be,

Ref:- Appointment of the Public Prosecutor & Government Pleader for N.Kanara District

Sir,

The period of the office of the present Public Prosecutor and the Government Pleader of our District expires in near future,he having been appointed only for one year.It is expected that a new selection might be made in near future.

At this juncture I wish to offer my services to the present popular government of our province. I am graduate of the Bombay University with honours and took my law degree in 1928.I have been practicing at Karwar Since 1929 as a pleader attending to both civil and criminal work in the various courts of our District and also outside. My age is 49.With this long and varied legal experience I feel bold to say that if the choice falls on me I will not be wanting, in any way, to meet all the expectations of the Government for this responsible and respected post.

I may also add that I enjoy public confidence and have contributed my humble services in the public and national cause.Being instilled with a sense of service to the country even during my college days I had,in response to the call of the country,to join the Noncooperation movement in 1921,when I left my old St.Xavier's college and having joined the Gujrath Vidyapith took their the degree of Bhasha-Visharada

21 95

and thus became a Snatak of that University.But after 2-3- years of service in the national cause at Bombay circumstances compelled me to appear for the Bombay University examinations for Arts & Law.

Even after I commenced to practice as a pleader in this district I have continued to offer my humble services to the public and the country. I have had the opportunity to work as a secretary of the Taluka Congress Committee,Karwar;and also of the Prohibition Committee.I am also at present member on the District Congress Committee and the president of the Taluka Congress Committee Karwar. I had also an opportunity to work as a member of the District School Board Karwar and have been also recently saddled with the duties of a secretary for the N.Kanara Developement Association. I hope this much service on my part is sufficient to credit me with public confidence,and experience of public affairs,which a person like the Public Prosecutor may be expected to possess.In the year 1930 the then District Judge,on an application from the then Government Pleader,recommended withdraawal of Sanad on the ground of my having taken part in the Congress activities.But lator, after the Gandhi Irvin Pact, the proceedings were shelved by the High Court. If the present Government is pleased to select me as the Government Pleader and the Public Prosecutor it would be just and proper in the circumstances,narrated above.

Mine is an humble offer.My circumstances have tempted me to court this chance.It is left to the Government to make its own choice in the interest of the public interest and efficient administration. I can only assure the Government that if the choice falls on me I would not be at any time wanting in the expectations of tho Government.

Your obedient servant.

To,

The Hon'ble Minister for Legal Department,
Government of Bombay Province, Bombay.

Applicant: Bhavanishankar S Mavinkurve
Advocate, Karwar.

Subject: Appointment of Public Prosecutor for Kanara.

K a r w a r, dated 26th June 1947.

Respected sir,

I learn that the Government have to appoint a Public Prosecutor for Kanara, with effect from August -- 1947, as the appointment made last year was only for one year.

I may kindly be appointed for the post for a period of three years, taking into consideration the -- following facts:-

A. I have been practising at Karwar as an ADVOCATE since 1924 November for over TWENTYTWO years. In few important cases, I have gone to the High Court and this fact can be seen from the reported cases.

B. I have extensive practice -both civil and criminal, as can be seen from accompanying list A. They are cases of different types coming from different villages and from different communities.

C. I stand FIRST in the Civil court practice in the Court of the Civil Judge, Senior Division, Karwar. I have been engaged by several Cooperative Institutions like the Karwar and Ankola Cooperative Banks, the Canara Catholic Cooperative Society and the Baad Daivadnya Cooperative Society and others. I have also been engaged by the local Bodies like the District Local Board and Religious Institutions like the Roman Catholic Mission and several Hindu Temples. In the suits against the Church, there were

questions of FOREIGN LAW (i.e. the CANON LAW) involved I have also been engaged by the District Judge in some of the cases under the management of the Deputy Nazir.

D. Due to heavy engagements in the Senior Civil Judge's court, I hardly found time to go to other Courts where I handled only complicated cases at special requests of my clients, and used to hand over other cases to brother pleaders. But the Civil Court filing has been going down due to economic dislocation and the recent legislations. Hence I have begun to handle cases both in criminal courts and the (appellate) District Judge's Court, as can be seen from Lists B & C.

E. I may be permitted to add that the efficiency of an Advocate does not depend upon the University qualifications but on his hard and honest work as also his personal legal acumen. I command all round practice -both criminal and civil - and that even from public and local Bodies, which will show the extent of public confidence reposed in me, as an experienced advocate. Hence the fact that I do not hold the University qualifications should not come in my way. I may be permitted to point out that in 1938 the Congress Ministry appointed Mr (who is now Rao Bahadur) M.G.Chandawarkar, who was a District Court pleader, in preference to pleaders holding University qualifications, due to his experience and ability. He continued to hold the post till last August for over 8 years. The fact that University qualification is not essential for the post has been thus recognised by this precedent. I say this because none of the other candidates can show better practice, seniority or experience.

F. With a view to convince you that I am an active worker in social, cooperative and political fields I have attached hereto a list of my such activities as also list of cases( ) arising out of 1942 Movement, which cases I conducted without charging any fees.

G. I may point out that last year when I had

2727

applied for this post, the then president of the District Congress Committee - Mr S.S.Shastri - had supported my candidature.

H. If appointed as a Public Prosecutor I will disassociate myself from political activities as the work entrusted to me has almost been completed and will discharge my duties satisfactorily.

I beg to remain,
Respected sir,
Yours faithfully,

Bhavani Jackeri

Respectfully submitted through the District Magistrate and the Sessions Judge, Kanara.

Karwar dated 26th June 1946

Bhavani Jackeri

Forwarded with compliments to the District and Sessions Judge Kanara. in continuation of my confidential asc. dated 20th June 1947

Mr. Ravikurve is a prominent political and social worker of the district. I have no knowledge of his legal work and the extent of his practice. He appears* a fit person for appointment as District Government Pleader. If appointed he is prepared to resign from all political parties, associations and formations and also from all public bodies.

* appears otherwise to be.

District Magistrate Kanara

Below the endorsement of the District Magistrate on the application of Mr Mavinkurve for the post of P. P.

Forwarded with compliments. 29 28

2. Mr Mavinkurve has conducted but a few cases--a couple or so-- before me during the last four months that I am here. I wish I had seen more of his work to speak with confidence about his fitness for appointment. It seems that he is intelligent and his want of a university qualification may not probably prove a handicap. Subject to what I said about the continuation of the present incumbent Mr Kasbekar, I should say that Mr Mavinkurve is the best among the applicants who have applied up to date.

Kanara lestates that Mr. Mavinkurve is a prominent political and social worker of the Dist. He has however, no knowledge, of his work and the extent of his practice. Otherwise, he appears to him to be a fit person for appointment as D.G.P. and P.P. Both the local officers, namely, the District Magistrate and the District Judge of Kanara, recommend that Mr.M.G.Kasbekar, who has been District Government Pleader & Public Prosecutor, Kanara, since 28-8-1946 should be reappointed as such. In the circumstances pointed out by the District Judge at p.11 of the file, Mr.Kasbekar may be reappointed for one year in the first instance. None of the other applicants Messrs.Shanbhag, Nagarkatti and Kamat has been recommended by the local officers. As regards Mr.Mavinkurve also, the District Magistrate says that he has no knowledge of the legal work and the extent of the practice of Mr.Mavinkurve. Subject:- Appointment of District Government Pleader and Public Prosecutor, Karwar.

Sir,

With reference to the latest Notification of Government, appointing Mr. B.S.Mavinkurve to the above post, a copy of which was sent to me by you, I may be permitted to make the following submission for the immediate consideration of His Excellency the Governor of Bombay and Government and I request you to place the same before them as the said question involves my legal rights.

My appointment last year was made by His Excellency the Governor under statutory rules made under section 241(2)(b) of the Government of India Act, 1935 the Bombay Law Officers(Conditions of Service) Rules, 1934. The Notification appointing me clearly stated that the said appointment of mine was subject to the conditions laid down in the said Rules. Thus my appointment being a statutory one and being subject to the said rules, the period of my appointment could not be for a period less than 3 years as laid down in Rule 4(3) of the said Rules, which says that a person appointed as a Government pleader or a Public Prosecutor shall hold office for a term of three years. Therefore though my appointment purported to be foe one year, under the said rule it shall be deemed to continue for three years and the limitation of one year put by Government is illegal and ultra vires the said rule. I therefore submit that the fresh appointment made cannot affect my statutory period of three years, only one year of which will expire on the 28th instant and I am therefore entitled to continue for two years more. This legal aspect of my appointment

was brought to the notice of the Hon. Minister for Law, Mr. DinkarRao Desai during his visit to Karwar on 13-5-1947 when he was pleased to give me an interview on that date after we had given him the address of the Bar Association, and he had definitely agreed that my appointment was to be continued as per the said rule and that I need not entertain any fears about it. In spite of this assurance I find that this legal aspect has been lost sight of by Government when ordering a fresh appointment.

I need not tell you that the popular Government has done great injustice to me by utilising my services only as a stop gap for one year to suit its ends and to my deteriment, which no body thought would be meted out to me and I only ask for the bare justice to me who last year was allowed to accept the appointment under the belief that my appointment, though purported to be for one year, shall be for a period of three years under the said rule and I had to lose my clients and my vast practice. I think you will agree that any other consideration for making a fresh appointment inspite of the above assurance and my merits and contrary to statutory rules is out of place. I may be permitted to point out that my intended displacement will put me to a heavy loss and certainly involves a question of law and my legal rights which seem to have been overlooked.

I therefore request you to place before His Excellency the Governor and Government the injustice and illegality involved in the fresh appointment and I hope they will be pleased to issue immediate orders in the matter so as to reach me before the 28th instant on which date I shall have to hand over charge to the new incumbent and if unfortunately I am compelled to hand over the charge to him on the said date, it may be noted that the same should be taken to be as under protest and subject to my legal remedy for compensation etc which I shall be entitled to under the circumstances.

Hoping to be favoured with an immediate reply of Government in the matter.

Respected Sir,

I have received a copy of application submitted to you by Mr. B.S.Mavinkurve, Advocate of Karwar for the post of Public Prosecutor of Kanara.

I may bring to your kind notice on this occasion that there is no President for our District Congress committee, Mr. Motinsar the then President being disqualified by the K.P.C.Committee and a new President not being elected so far in his place. Mr. Keshwain and myself are the Vice-Presidents of our district committee. Hence it appears that Mr. Mavinkurve has sent copies of his application to both of us.

I think I have no need to say much in support of Mr. Mavinkurve's application, as his own opponents will be constrained to admit that he is a staunch Congressman and an energetic and active worker with a record of practical achievements to his credit in many fields of social activities.

I may add that Mr. Mavinkurve has done his best to oppose the Communist activities and has worked in all the affected areas of the District to oust them from their sphere of influence.

I learn that Mr. Kasbekar was appointed last year only for a year as there was no time to decide the tie between Mr. Mavinkurve and Mr. Haldipur. The latter has not renewed his application this year but his assistant Mr. P.S.Kamat, who has no independent practice, has applied.

Considering the relative merits of all the applicants from all points of view, it is my honest opinion that Mr. Mavinkurve's claim to the Public Prosecutorship is superior to the rest and I think that Government will be well advised in prefering an Advocate of Mr. Mavinkurve's resource and dynamic personality to the rest of the applicants and I assure Government that in case the choice falls on Mr. Mavinkurve, Government's interests will be safe in

Subject:- Appointment of District Government Pleader & Public Prosecutor, Kanara, Karwar.

Sir,

Last year though I had applied for the post of a Government Pleader for a term of 3 years, Government was pleased to appoint me to the said post for a period of one year, which expires on 27-8-1947. Under Rule 4(3) of the Law Officers Rules, a person appointed as a Government Pleader shall hold office for a term of 3 years, but shall be eligible for reappointment after the expiry of such term I may therefore be permitted to submit that I deserve to be continued for the full term of 3 years and I request that the said term may not be further curtailed.

I may bring to your notice that my appointment only for one year has put me to great disadvantages viz. I lost my seat in the Municipality which I occupied for about the last 20 years and have also lost touch with my clients. I believe that my work as a Government Pleader and Public Prosecutor must have been found satisfactory by the District and Sessions Judge and by the District Magistrate and my qualifications for the said post have already been enumerated by me in my last year's application. I may add that I am an Honours graduate and an LL.B. of the Bombay University and am in full and continuous practice my standing at the Bar being over 22 years. I therefore request you to place my case before Government for consideration of my being continued in the said post for a term of full 3 years.

In case Government is not prepared to continue my

term

term of office, I request you to allow me to contest the local Municipal elections here, the nominations for which are to be filed on 4-8-1947 which date falls within my existing term of office and for which I cannot offer myself as a candidate without the previous permission of Government under the Law Officers Rules. I therefore request you to intimate to me the decision of Government in the matter before 4-8-1947.

Thanking you,
